Shaping brighter futures
Since 1986

Graduate Transport Consultant

This is an excellent opportunity to join Cole Easdon (CE) as a Graduate Transport Consultant in our Swindon office. CE is a multi-disciplinary civil engineering consultancy. Founded in 1986, we are proud to have earned a reputation for quality, reliability and value.

We are dedicated to supporting and empowering our people to achieve their personal and professional development goals within an inclusive working environment. We have a strong ethos of trust throughout the company with a focus on building relationships and encouraging our people to use independent judgement to deliver excellent client service. Our working environment is friendly and team orientated, with a culture that encourages fresh ideas, enthusiasm and provides opportunities for progression.

The Role

On a day-to-day basis, you will be involved with the preparation of, and input to, Transport Statements, Transport Assessments, and Travel Plans, principally to support planning applications for a range of land uses (residential, commercial, leisure etc.). This will include internet-based research, report writing, and the preparation of drawings and plans (using AutoCAD) to accompany those reports. You will also learn how to use junction capacity analysis software, where appropriate training will be provided through on-project learning and external training courses.

Travel to site visits and meetings (usually with a more experienced colleague) will also be necessary.

Essential Knowledge, Qualifications and Experience

- Excellent numeracy, oral communication and written English skills;
- A relevant Bachelor or Masters degree (in a subject such as Geography, Transport Planning or Civil Engineering) is essential;
- Proficient in Microsoft Word and Excel;
- Creative and logical thinker, able to problem solve.

Desirable Skills

- Workplace experience is desirable but not essential.
- A full UK driving licence is desirable.

Cole Easdon is seeking to be an equal opportunities employer and we welcome applications from candidates from diverse backgrounds. Every candidate is assessed in accordance with their merits, qualifications and ability to perform the duties of the job.

If you think you have the skills required for this position, please forward your CV to Ewa (edennehy@coleeasdon.com) with the subject line reading 'Graduate Transport Consultant – [Insert Name]'. Please include salary expectations.
