Since 1986

# Infrastructure Technician

This is an excellent opportunity to join Cole Easdon (CE) as an Infrastructure Technician in our Swindon office. CE is a multi-disciplinary civil engineering consultancy. Founded in 1986, we are proud to have earned a reputation for quality, reliability and value.

## The Role

On a day-to-day basis you will be involved with the preparation of the detailed design of private and adoptable schemes for residential, commercial and leisure developments. You will be required to liaise directly with clients, council officers and design team members. Appropriate training will be provided through on-project learning and external training courses.

Travel to site visits and meetings (usually with a more experienced colleague) will also be necessary.

## Essential Knowledge, Qualifications and Experience

- A relevant Bachelor or Masters degree (in a subject such as Civil Engineering);
- Relevant experience, which can be work placement related, in a Civil Engineering/infrastructure environment;
- A knowledge of relevant technical guidance such as Manual for Streets, Design Manual for Roads and Bridges, Local Highway Standards, Sewers for Adoption and Building regulations is desirable;
- Knowledge of AutoCAD 2D is essential, 3D desirable
- Knowledge of PDS/ Civils 3D/ Site 3D and InfoDrainage is desirable however full training will be provided on these;
- Excellent numeracy, oral communication and written English skills;
- Proficient in Microsoft Office packages (Word and Excel);
- Creative and logical thinker, able to problem solve;
- Ability to manage and prioritise own workload.

## Desirable Skills

- A full UK driving licence is desirable.

Cole Easdon is seeking to be an equal opportunities employer and we welcome applications from candidates from diverse backgrounds. Every candidate is assessed in accordance with their merits, qualifications and ability to perform the duties of the job.

If you think you have the skills required for this position please forward your CV to Ewa ([edennehy@coleeasdon.com](mailto:edennehy@coleeasdon.com)) with the subject line reading 'Infrastructure Technician – [Insert Name]'. Please include salary expectations.
